## 1 Section 3

**Figure 1:** Number of Drug Offences each Year

Table 1 summarises the number of drug offences each year, while Figure 1 presents the number of offences each year in a column chart. Both the table and the figure illustrate that the number of drug offences has remained consistent over time.

## 2 Citation examples

Box and Cox (1964) and this is another article about COVID Bai et al. (2020) and I can also cite R packages as follows Wickham (2016)
